

# The West Virginia British Car Club

## *Monthly Meeting Notes (12 October 24)*

The meeting was called to order at 10:34 am by Mark. There were 16 members present on a blustery, chilly (58 degrees) Saturday morning! The meeting wrapped up at 11:17 am. Our annual car show was on 5 October and was a success with 50-60 cars!

*Had a great turn out of British cars this month, thanks for representing!*

*Photos by: Josh Miller*

George got a new 2024 6 speed Mazda Miata (in the photo above on the left), he made a good case that it was British enough of a car... lol!

*Don Gross' garage*

New member David Conley (from Russell, KY) was in our meeting. He inherited his father's 1969 British Racing Green MGB and is looking to get it back on the road after sitting for 6 years. It was a daily driver from 1974-94. Jaimie Chenowith has been working on his 1962 Austin-Healey 3000. He has been trouble shooting it and we all collectively diagnosed it as a condenser issue – good luck! Josh's 1956 MGA is just about finished! Paint color was selected (Glacier Blue) and the final sanding has begun. Don Gross hosted Pints & Pistons on 16 Oct 2024 at his house. Had a great spread of pizza and beer. Don has a great set up with plenty of room to store and work on his car collection. It is a very diverse collections of US cars (and a truck or two) and British cars! Lastly, Dave Chenowith was voted in as President of the West Virginia British Car Club!! Earl Arentz was voted in as the Vice President!! Congratulations! Josh will stay on as the Secretary and Jamie will stay on as the Treasurer.

Tours. If you have ideas about driving tours or need some, please visit <https://backroadsofappalachia.org/> There are some great tours coming up!

## **Upcoming Events:**
