

The West Virginia British Car Club

Monthly Meeting Notes (1 June 24)

The meeting was called to order at 10:43 am by Mark. There were 17 members present on a perfect Saturday morning! The meeting wrapped up at 11:59 pm. This year's picnic was scheduled for 14 Sep 2024 at the airfield like last year's picnic; details to follow. Our annual car show will be in October.

Had a great turn out of British cars (and Larry's Mercedes) this month, thanks for representing!

Kevin Halloran is officially a British car owner! He recently purchased a 1959 MGA. Little to no work required and should be delivered this month! Congratulations!

Roger's 1978 MGB was just about up and running after a long fight with the timing of a new distributor when it then blew a radiator hose! Should see him in July!

Jaimie Chenowith's 1970 XKE roadster came alive for a quick drive down to the local gas station and barring a new set of tires, will be road worthy in the near future. Congratulations on completing a solid project!
