

WVBCC Monthly Meeting Minutes

8/2/25

Dave Chenoweth called the meeting to order at 10:35am.

Jim Blackwood told us about his project to use a Greyhound type bus to transport a heavily modified MGB. The car is shortened enough so that it will fit in the cargo bay of the bus. Details can be found at britishv8.org under the forum titled Cargo Bay Car.

Everyone agreed that the Pints & Pistons at the Cold Spot was a good choice. It seems like it was a hit.

The club picnic is coming up on September 13 at the Mallory airport from about 11:00am - about 2:00pm. We had our picnic there last year and it was well received. Another good time is expected.

Our annual car show at the Beni Redeem Shrine parking lot will be October 11. It was suggested that we contact some of the other car clubs and invite them to participate. We'll make up a flier and advertise the show.

Barry McCoy reviewed the cruise to Harrisville. It was a great success but Nathan Arnette was the only one to drive a British car. Everyone else opted for A/C cars owing to the 96 degree weather. Barry mentioned that the restaurant was good but we stretched their capacity. We had 19 people. Barry thanked everyone who came. Kevin H. suggested that we have walk talkies for the next cruise in an attempt to not get separated.

Kevin H. commented about the hill climb at Snowshoe. He felt like there were accommodation problems but the event was very good.

Nathan A. let us know that he had bought Wilbur Jr. a Mini Cooper from Jim P. He said it was for his daughter.

We talked briefly about Josh M's MGA and the fact that he's still waiting to get it back.

Larry K. and Loyd M. suggested a cruise to the WV Museum of Radio and Technology.

Larry K. Gave us a rundown of upcoming events featuring The Esquires. Check the club calendar for dates and times.

The meeting was adjourned at 11:12am.

Respectfully submitted;

Bill Michael
