The website is up to date and running! Bill Michaels is our Webmaster, for any issues please contact him. There is interest in listing cars for sale, so please send him your advertisement to post.

There was discussion about becoming a contributing/participating car club to the British Marque Car Club News. This is a monthly newspaper type publication (11 issues a year) out of Harrisville, Rhode Island that covers the United States and all eras of all British Cars. The annual subscription for you is \$29 or \$18 if we become a participating car club. On-line editions are less expensive at \$19 and \$12 respectively.
